

# Identifying Adjectives

Name: \_\_\_\_\_ Date: \_\_\_\_\_

**Adjectives** modify the meaning of nouns and pronouns. They describe *which, whose, what kind* and *how many*.

Example:

*The hairy dog chewed on my favorite running shoes.*

There are many adjectives in this sentence. **The** and **hairy** describe the dog, while **my**, **favorite** and **running** describe the shoes.

Seven words in English are always adjectives. These are the articles **a**, **an** and **the**, and the possessives **my**, **our**, **your**, and **their**.

**Find and write the adjectives in each sentence.**
